

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF WISCONSIN

---

UNITED STATES OF AMERICA,

Plaintiff,

v.

Case No. 13-MJ-449-RTR

DECRYPTION OF A SEIZED  
DATA STORAGE SYSTEM,

Defendant.

---

**RESPONSE IN OPPOSITION TO GOVERNMENT'S MOTION TO STAY  
BRIEFING SCHEDULE**

---

The government today filed a motion to stay the briefing schedule in this matter 90 days, speculating that because Mr. Feldman is now facing criminal charges he “may conclude that it is in his interest to decrypt the seven still-encrypted drives.” The government wants to stay briefing so it can discuss “voluntary decryption with Feldman.” Mr. Feldman opposes the government’s motion to stay briefing and asks that the current briefing schedule remain intact, insofar as his reply brief be due not less than two weeks after any government response is filed. Mr. Feldman has asserted and continues to assert his Fifth Amendment privilege against self-incrimination and against the government’s efforts to compel him to attempt to decrypt the drives the government says are encrypted. He will not voluntarily attempt to decrypt the drives. Accordingly, there is no need to stay the briefing in this matter.

Respectfully submitted at Milwaukee, Wisconsin this 14<sup>th</sup> day of August, 2013.
